We are talking about Ayer's Hair Vigor. Just note that word "Ayer's." You are perfectly safe with it. No harm to you or to your hair. Makes the hair grow? It certainly does. Stops falling hair, too. Remember, it's "Ayer's" we are talking about. Ask your doctor about your hair and about Ayer's Hair Vigor. Get his approval. Your own doctor and "Ayer's" make a strong combination. It means faith, confidence, satisfaction.

SPORTS

COLLEGE ATHLETES TO MEET THIS AFTERNOON

The intercollegiate track meet between the Oahu College and Kamehameha School will take place this afternoon on the Alexander Field, and, as already announced, good sport is anticipated. There is little to report beyond what has already appeared in the columns of The Star, and while the forecast which was published a few days ago may be out in one or two particulars, in the general result it will probably be found somewhat near correct. It is anticipated that the Oahu College boys will do better as far as times and distances are concerned than they did against the College of Hawaii, and they are expected to win out a trifle easier than they

did against the College of Hawaii, but nonetheless the events will be more keenly interesting. A team for the relay race will compete and three of the Kams are in for the pole vault, so that there will be no walk-overs, unless unforeseen circumstances arise today.

Of course, these meets only prepare the way for the great triangular meet of next Saturday and it devolves upon the captains of the various educational establishments concerned to conserve their men for this meet, rather than take the risk of overworking them in the dual meets.

Twelve events are down for decision this afternoon, and a start will be made at two o'clock.

GUN CLUB SHOOT POSTPONED.

Owing to a misunderstanding on the part of some of the members of the Hawaiian Gun Club only a few members turned up Friday to compete for the championship and the committee decided to postpone the event for a week. Next Thursday, therefore the shoot for the championship, fifty birds, will take place and there will be also a fifty-bird handicap, entrance fee for which is \$1.

BOXING BOUTS ARE POSTPONED

Nigel Jackson reported this morning that owing to the fact that Denton, Sarconi, Simmons and Harding were unable to be present at the Orpheum theater tonight on account of the quarantine regulations, the fights scheduled to take place would have to be postponed. At last accounts Jackson was endeavoring to arrange for other bouts to take the place of those cancelled, but he stated that he would have to call the date off, unless he met with success early in the afternoon. At the time of writing nothing had been settled, so that it can be taken for granted that there will be nothing doing at the Orpheum tonight.

ABATEMENT OF A NUISANCE.
New York Herald: Theatrical managers seem confident that the ordinance now before the board of aldermen will do away with one of the many evils that have grown up unchecked in our city. Ticket speculation, which has never flourished elsewhere, not only has been a source of infinite annoyance to the New York public, but has also interfered materially with theatrical prosperity. Many attempts, not a few of which have been honest and intelligent, have been made in the past to do away with it, and these attempts have always failed, chiefly because of the selfish indifference of the units of our public to measures intended for the general good. Everybody's business is nobody's business is a proverb that applies to us with peculiar force.

Sam Hlythe, whose political stories have gained him an extensive clientele of readers, found in his mail the other day a letter from a friend in the West, with whom he had passed a few pleasant hours in Washington around the holidays. The letter was a lengthy one, and dealt with all sorts of subjects. After having appended the usual "Yours truly," the writer added a postscript. It read: "Sam, are you still on the water wagon? Neither am I."
